La nuova Antenna BANTEN
cod. 20303 - RUBBER/FM

è stata studiata per resistere alle sollecitazioni
impreviste e agli shock meccanici:
leggerissima e versatile è nata dalle
richieste degli installatori
e dalle esigenze dei progettisti

The new
Banten antenna
code 20303
RUBBER/FM - cm 25 - base on
F connector flange - black
rubber whip -
is designed in order to resist to
the unexpected shock: light
and versatile was born to
satisfy the installer demand's
and to meet the new
designer's wishes.
